

# T-Ball

(4 – 6 Years Old)

T-Ball is an introduction to baseball and softball, played on 45-foot base paths and hitting off of a tee. Players will learn to catch, hit, field, and be part of a team. Practices and games will be fun and instructional, no score or standings will be kept in this division, teams will bat through their entire lineup every inning. Games for this division will start after Spring Break, tentatively the second week in April. All games will be held on Saturday's either in Lake Stevens or Granite Falls. Practice and game times will be a block of two hours total, coaches will decide how those two hours are divided and used. Teams in this division are formed by player requests and school boundaries.

Players will be provided a team jersey and a hat.

**Recommended equipment:** Cleats (does not have to be baseball, any cleats will do at this level), batting helmet, and a baseball glove.

**Optional equipment:** T-Ball bat (must say T-Ball on the bat and have the USA stamp to be used), batting gloves, bat bag, baseball pants and socks.

If you are having trouble obtaining the gear needed please contact a board member so we can help.
